## Scheduling

To be sure your appliances are delivered on time **please be sure to utilize the date wanted box** on your prescription forms. This greatly adds to our ability to properly schedule your case and to ensure the case is in your office on time.

Our standard laboratory schedule is 3 to 5 days in lab. Rush service is available at no extra charge.

We accept all major credit cards.

**Orthodontic Appliance Company**  
Put our experience to work for you!
